BESPOKE DRESSAGE

Do you have concerns about riding in a busy warm up?

Do you have a young horse that you want to introduce to indoor schools and have a chance to compete?

Would you or your horse benefit from some time to settle before starting your test?

No matter what is holding you back from competing, why not try Bespoke Dressage?

You have the indoor school for 30 minutes, within which you can warm up your horse on your own or have a lesson with your instructor without having to leave the arena.

If you require something specific to make your competition better, Bespoke is the one for you as the primary rule is for you and your horse to go out happier and more relaxed than when you came in!
